Preface	ix
Part I The Explanatory Role of Necessity	1
1. Modality and Explanation	3
Relative and Absolute Necessity	3
Scientifically Established Necessities	5
An Epistemological Worry about Modality: Causal Contact with Modal Facts	7
Modal Nihilism	10
Modal Reductionism and Deflationism	15
Modal Anti-Realism and Quasi-Realism	27
Conclusion	30
2. Modal Knowledge	32
Conceivability As Our Guide?	32
Modality a Matter of Principle?	36
The Theoretical Roles of Modal Claims: Towards a Modal Epistemology	41
The Spheres of Possibility	60
Part II The Necessary Shape of Contingency	63
3. Ultimate Explanation and Necessary Being: The Existence Stage of the Cosmological Argument	65
Necessary Being	68

Two Objections to the Traditional Answer	73
Necessary Being As the Explanatory Ground of Contingency?	79
4. The Identification Stage	86
From Necessary Being to God, I: Transcendent, Not Immanent	86
Two Models of Transcendent Necessary Being: Logos and Chaos	93
Varieties of Chaos	93
Interlude: The Fine-Tuning Argument	97
From Necessary Being to God, II: Logos, Not Random Chaos	109
5. The Scope of Contingency	111
How Many Universes Would Perfection Realize?	111
Perfection and Freedom	121
Some Applications of the Many-Universe-Creation Hypothesis	122
Necessary Being and the Scope of Possibility	125
Necessary Being and the Many Necessary Truths	128
6. The God of Abraham, Isaac, and <i>Anselm</i> ?	130
The Unity of the Divine Nature and Its Consequences	132
Natural Theology in the Understanding of Revealed Theology	140
Coda	143
Notes	145
Bibliography	162
Index	172
