Preface v

Introduction 1

1 *Property* 21

What is property? What do property rights give us rights to do? On what grounds ought people to have property rights?

- ✓ John Locke, *Rights to Property* 22
- Morris Cohen, *Property and Sovereignty* 39
- Charles Reich, *The New Property* 46
- Lawrence Becker, *The Labor Theory of Property Acquisition* 60
- ✓ A. M. Honoré, *Property, Title and Redistribution* 84

2 *Profits* 93

Should everyone try to maximize profits? Can everyone gain under capitalism? Who are the losers? What are the social costs of the "free market"? What should be done about the modern corporation? About work?

- Adam Smith, *The Progress of Opulence* 94
- Karl Marx, *Labour and Capital* 114
- Joan Robinson, *What Are the Rules of the Game?* 138
- Robert A. Dahl, *The Corporate Leviathan* 153
- Gar Alperovitz, *Toward a Pluralist Commonwealth* 161
- Nancy Hartsock, *Staying Alive* 168

3 *Economic Justice* 177

Should the state redistribute wealth and income? What would economic justice require? What economic rights should citizens in a democracy have?

✓ John Stuart Mill, <i>The Province of Government</i>	178
John Hospers, <i>The Nature of the State</i>	188
John Rawls, <i>A Kantian Conception of Equality</i>	198
C. B. Macpherson, <i>A Political Theory of Property</i>	209
Arthur M. Okun, <i>Rights and Dollars</i>	221

Appendix 231

✓ Universal Declaration of Human Rights	232
Welfare Payments as "Charity": <i>Wyman v. James</i>	237
Property Taxes and Equal Education: <i>San Antonio School District v. Rodriguez</i>	241
