

CONTENTS

Introduction	I
PART I: EVENTS AND PROCESSES	
1. Events, Particularity, and Properties	19
1. Kim: Exemplifications of Properties at Times	21
2. Property Exemplifications and Theories of Mind	28
3. Particularity and the Secret Life Requirement	35
4. Bennett: Events as Tropes	41
5. Bennett's Argument against Anomalous Monism	44
2. Events as Changes	56
1. Happenings	57
2. Events as Changes in Objects	58
3. Is there a Motivation for the RCO?	61
4. Composite Events and the Composition Relation	65
5. Are there Changeless Events?	69
6. States and Change	72
3. The Temporal Strategy: Time and Aspect	75
1. Vendler and Kenny	78
2. Types of Verb versus Types of Predication	82
3. Aspect	84
4. Nominalization Transcriptions: Events and Processes	88
5. Non-paradigmatic Events	92
6. <i>Event</i> and <i>Process</i> as Ontological Categories	94
7. Temporal Shape	97
PART II: STATES, CAUSATION, AND CAUSAL EXPLANATION	
4. States and the Type-Token Distinction	105
1. States and Properties	107
2. Nominalization Transcriptions: States	110
3. The 'State of . . .' Locution	115

4. The Type-Token Distinction	120
5. Token States in Philosophy of Mind	127
5. Particulars, Facts, and Causal Explanations	135
1. Forms of Causal Explanation	139
2. Singular Causal Claims	141
3. Sentential Causal Explanations	146
4. The Existential Generalization Account	153
5. Causation and Causal Explanation	163
6. Efficacy, Causing, and Relevance	168
1. Child on Causation and Causal Explanation	169
2. Program and Process Explanations	186
3. Sentential Explanations as Program Explanations	192
4. Why there are no Causally Efficacious Properties	197
PART III: STATES AND CAUSALITY IN PHILOSOPHY OF MIND	
7. The Network Model of Causation in Philosophy of Mind	203
1. The Network Model of Causation	205
2. What's Wrong with the Network Model of Causation?	206
3. The Network Model in Philosophy of Mind	213
4. Causal Relevance and Isomorphism	221
8. Token Identity Theories	225
1. Understanding Identity Statements	232
2. Token State Identities and the Network Model of Causation	235
9. Eliminativism and the Problem of Epiphenomenalism	242
1. Two Characterizations of Eliminativism	247
2. An Argument for Eliminativism	248
3. The Problem of Epiphenomenalism	250
4. The Solution to the Problem of Epiphenomenalism	254
5. Concluding Remarks	257
