

Alain Reinberg
Michael H. Smolensky

Biological Rhythms and Medicine

*Cellular, Metabolic,
Physiopathologic,
and Pharmacologic Aspects*

*With Contributions by H. von Mayersbach,
J. E. Pauly, L. A. Scheving, L. E. Scheving, and T. H. Tsai*

With 148 Illustrations

Springer-Verlag New York Berlin Heidelberg Tokyo

Contents

Dedication vii

Preface ix

Acknowledgments xi

Contributors xiii

- 1 Introduction to Chronobiology 1
Alain Reinberg and Michael H. Smolensky
 - 2 Investigative Methodology for Chronobiology 23
Alain Reinberg and Michael H. Smolensky
 - 3 An Overview of the Chronobiology of Cellular
Morphology 47
Heinz von Mayersbach
 - 4 Chronobiology of Cellular Proliferation: Implications for
Cancer Chemotherapy 79
L. E. Scheving, J. E. Pauly, T. H. Tsai, and L. A. Scheving
 - 5 Aspects of Human Chronopathology 131
Michael H. Smolensky
 - 6 Clinical Chronopharmacology: An Experimental Basis for
Chronotherapy 211
Alain Reinberg
 - 7 Chronobiology and Nutrition 265
Alain Reinberg
- Index 301
